Semester Exams Tentative Schedule

Students will take major exams the last week of each semester. It is very important for students to be present for these major tests, if healthy. So that your child can do his/her best, please plan any vacations or healthcare appointments around exam dates. Finals count ten percent of the semester grade for junior high courses and fifteen percent for high school classes. Any missed exam should be made up with the specific instructor the week of January 9 through 12. The specific modified schedules are available at our website. Tentative dates for final exams are listed below.

First Semester Exams— begin 12/14/17

Second Semester Exams— begin 5/25/18

Early Release on December 20th (12:50 p.m.)

Our campus will have early release on Wednesday, December 20th, at 12:50 p.m. Buses will depart at approximately 1:05 p.m. on this date. Please plan for the potential of heavier traffic at the pick up lines.

Children in Santa's Dreams Toy Drive

Children In Santa's Dreams, our CISD toy drive is starting next month. We need new, unwrapped toys for all ages. The need is greater than it has been in many years. Show your Highlander spirit and help another CISD student have a happier holiday. If you are in need of holiday assistance, please contact your child's counselor at 832-592-5194.

Incoming Seventh Grade Course Selection Information Meetings

On January 16th and 17th, McCullough Junior High will be hosting informational meetings for parents of incoming seventh grade students of 2018-2019. Our meeting on January 16th will occur in the Nancy Bock Auditorium at 9:30 a.m. The meeting on January 17th will be at 6:00 p.m. in the Nancy Bock Auditorium. Please park in the west parking for these events. The meetings will be identical and are offered at two different times for your convenience. We will cover critically important information on our campus, core and elective course offerings for seventh grade, math placement, off campus private physical education, and additional information which will help your child be successful as he/she enters secondary education. If you have a child entering seventh grade next year, it is *highly recommended* to have at least one parent/guardian attend one of these important meetings. The McCullough P.T.O. will have school items available for purchase if you are interested. This event will run for around 90 minutes and is for parents/guardians only. Notes from these meetings will be published on our website and parents/guardians will receive a direct link to this information following the discussions. All dates are tentative.

Incoming Seventh Grade Elective Information Night

Our annual elective information night for incoming seventh grade students and their parents/guardians is tentatively scheduled to occur on the evening of January 30th from 6:00 p.m. until 7:05 p.m. This evening is designed so that students new to McCullough have an opportunity to visit informally with various elective teachers to gain information on their programs. A presentation for seventh grade girls interested in athletics will occur in the Nancy Bock Auditorium at 6:00 p.m. At 6:35 p.m. a presentation designed primarily for incoming seventh grade boys will also occur in the auditorium. Fine arts directors may be setup on this evening in their areas.

Science Fair - Friday, February 2nd

Junior high science fair will occur on Friday, February 2nd. Specific information on the day will be distributed by your child's teacher.

2018-2019 Course Request Deadline April 6, 2018

The course request deadline for 2018-2019 will occur on Friday, April 6, 2018. This will be the deadline for all elective, core, fine art, and organizational choices for the 2018-2019 school year.

Make a Difference Anti-Bullying and Resilience Activities

Several months throughout the year our school will conduct anti-bullying activities through extended third block classes. During these activities we will lead students through lessons on bullying and resiliency, random acts of kindness, internet social media and bullying awareness, acknowledging differences, and other methods of preventing and reporting potential bullying. If your child perceives he/she is bullied in any setting they are encouraged to call 1-888-KIDCHAT. Current programmed activities include:

9/28— Bullying awareness, prevention, and resiliency

Week of 11/6— Understanding differences

Week of 2/12— Random acts of kindness week

3/6— Internet dangers, social media, privacy, and courtesy

2018-2019 Cheerleader Tryouts Tentative Dates

The McCullough Cheer tryout informational meeting will be held on Thursday, February 8, 2018 at 6:00 p.m. in the Bock Auditorium. Tryout packet forms will be due Friday, February 16th by 4:00 p.m.. The tryout clinic will be March 5th-7th, in the large gym, at 4:30 p.m. Tryouts will be on Thursday, March 8th at 4:00 p.m. Please contact Shelly Newitt at snewitt@conroeisd.net or Ashley Thomson at athomson@conroeisd.net if you have any questions.

Track Practice and Season Information - Tentative

The first day of practice for both girls and boys spring 2018 track will occur on January 16th. Boys practice will be in the mornings before school from 7:00 a.m. until 8:15 a.m. Practice for girls will be after school from 4:00 p.m. until 5:15 p.m. All participants must have a current physical on file in order to practice. There are no tryouts for the track and field team. Athletes do try out on a weekly basis for roster spots to attend the next meet. Most meets allow 3-4 participants per event. Students do not need to currently be in athletics to participate in track as it does not meet during an athletic period. If you have a question regarding track and field please contact Coach Skinner at cskinner@conroeisd.net.

Incoming Eighth Grade Parent/Guardian Information Meeting

Our annual incoming eighth grade parent/guardian information meeting is set for January 11th at noon. The meeting will occur in the Nancy Bock Auditorium and should run approximately 30 minutes. Please feel free to bring your lunch with you. At this meeting we will cover specific curriculum and organizational specifics impacting eighth grade students. This date is tentative.

Riding Home on an Alternate Bus in an Emergency

Students may be allowed to ride home on an alternate bus in the event of an *emergency*. However, there are a number of action items students/parents/guardians need to know in advance to ensure a student can and does secure the appropriate transportation home at the end of the day. These include:

- some buses are operating daily at maximum capacity and *cannot* take extra riders
- to ride home on an alternate bus with a friend, a note from a parent or guardian is required including the full name of your child, alternate bus your child needs to ride, parent/guardian phone number, and parent/guardian signature
- a contact number where you can be reached to potentially verify
- the request form with the parent signature and contact number must be submitted to the grade level office by noon for verification

High School Four Year Plan Meetings

During the months of October and November the eighth grade counselors are working with all eighth grade students to create their four year high school plans. Creating a four year plan is the FIRST STEP that students take in junior high towards high school and post graduation planning. This is a process that will extend over the next four years. So keep in mind they are creating a plan and over time and as they gain more knowledge about high school that these plans *will* change. Students begin to think about the courses they need for graduation and the classes they want to take in ninth grade. Graduation requirements will be available on the web site in the *soon to be updated "2018-2019 Program of Studies."*

Bicycle Safety

If your child is riding a bike, our bicycle rack is on the west side by the football field. This area is under video surveillance and is close to the west doors in case of rain. Please remind your child to please make certain he/she does not ride through the parking lot. The setup is such that the rider can ride through the grass and bypass normal parking lot traffic. ***If you operate a vehicle in our parking lot, please be cognizant of all bicycle, car, and foot traffic.*** The first week of school we met with all students to discuss bike safety and expectations within that meeting.

Visit The McCullough Webstore at www.mccwebstore.com

Go to McCullough's online webstore direct link to purchase select athletic clothing, science fair supplies, pay for class activity fees, and purchase choir, band, and orchestra uniforms. Login instructions are on the website. Note class fees will be loaded to your child's account around August 23rd. Please visit www.mccwebstore.com.

2018-2019 Drill Team Tryouts Tentative Dates

The McCullough Highland Girls Drill Team tryout informational meeting for 2018-2019 will be held on Tuesday, March 27th, at 6:00 p.m. in the Bock Auditorium. Tryout packet forms will be due Friday, April 6th by 5:00 p.m. The tryout clinic will be April 11th through April 13th and April 16th through April 20th, in the large gym at 4:30 p.m. Tryouts will occur on Saturday, April 21st at 8:00 a.m. Please contact Ms. Gilmore at sgilmore@conroeisd.net or Ms. Nichols at lnichols@conroeisd.net if you have any questions.

Early Checkout Specifics to Help

If you are checking your child out early during the school day, it will be far quicker if the student brings a note to the front desk before school with your clear directions on what time he/she should be waiting for you in the front office. Please note, this is even more important if the child is in athletics or physical education as it can take much longer to locate them and have them in the front office if they are picked up without an advance note. A form is available on our website for use to help make the process faster. This document is located in our parent services area titled "early release request form." Additional forms are available as needed at the front desk. *Please note a parent or guardian must come into the building to check a student out.* For student safety, please note in advance a photo I.D. is required to check out your child.

Yearbook Ordering Information

It's time to purchase your yearbook for the 2017-2018 school year.

Visit www.balfour.com and search for "McCullough" on the home page to begin your order. Yearbooks are \$40, payable online. Ordering a yearbook in advance is the only way to guarantee your copy in the spring. The deadline for all yearbook orders is **Jan. 31, 2018**. Don't wait until it's too late! Visit balfour.com today.

Automated External Defibrillators (AEDs)

Please note our campus now has four automated external defibrillators for use if ever needed. These reside by the clinic, in the fieldhouse, by the gym, and on the upstairs mezzanine.

2018-2019 P.T.O. Meetings

Each year our P.T.O. hosts a number of meetings for parents where we have quality speakers to address important issues for our parents, guardians, and students. Our remaining meetings for 2017-2018 will occur on January 18th, and April 19th.

McCullough Online Presence at Twitter and Facebook

Parents, guardians, and students can follow McCullough online at Twitter and Facebook for complete and timely updates on school happenings and student success.

Through this portal, our campus will work to keep you updated on all events occurring at McCullough, TWHS, and with our alumni. The addresses are Twitter - @mcculloughcisd
Facebook - @mcculloughcisd

Revised Picture Dates

Picture dates have been rescheduled (due to the flood) for November 29th and 30th. More information is coming soon.

Club Sports

Soccer, Tennis, and Golf

Soccer, tennis and golf are offered by our campus as club sports. These are not official U.I.L. activities in Texas junior highs but sports we offer them as a club option. Each of these sports as a non-UIL activity does not meet during the school day as an athletic class and everyone has the option to tryout for these. Information will be coming on these sports in the coming weeks. These activities occur after track and field concludes. For updated information on tryouts please see the athletics page of our website.

Ongoing Bullying Prevention

The first week of school administrators meet with students through language arts classes to discuss school procedures, expectations, and where to go for help with any need. A wide range of topics are covered including the student handbook. One aspect of this is bullying prevention. If your child is bullied or perceives he/she is bullied at school, please have your student contact his/her administrator in the grade level offices. Email addresses for our assistant principal staff are available on our website. We want to help. Letting the appropriate assistant principal know, so that he/she can investigate, is key.

Parking Lot Safety and Speed Limit

The posted speed limit in our lots is 5 mph. For the safety of all, please abide by the posting.

KIDCHAT Anonymous Tipline 1-888-KIDCHAT

Our campus and district have an anonymous tipline that can be accessed 24 hours a day by contacting 1-888-KIDCHAT. Information can be communicated at this site regarding activity that is illegal or inappropriate occurring both in the community or on a school campus. Students play a key role in helping keep the school and community safe. Reports are followed up upon by school administrators and/or police. In some cases, informants may qualify for a monetary reward for information leading to felony arrests.

State Student Success Initiative (SSI) Information

A Gentle Reminder that Eighth Grade Students Must Pass the State Reading and Math STAAR Exams in Order to Advance to Ninth Grade

As a reminder, Texas students currently in eighth grade are required by the state Student Success Initiative (SSI) law to pass the eighth grade STAAR math and reading exams to advance to ninth grade. Eighth grade students will have three opportunities to take these exams, with two tests for each subject, coming in the school year and one each in the summer if necessary. Summer STAAR testing will occur in late June if necessary and students who do not pass the exams on the second administration are required by the state to attend summer STAAR Academy. Our goal is to support each child to help him/her do their best and pass the first time. If you have a child in eighth grade, please note this state law before making any firm decisions regarding out of town summer vacations.

Bus Safety and Student Transportation Behavior Expectations

Now that school is underway, I want to take a moment to address a very important issue regarding bus safety and behavioral expectations of students. Our students, and by default your children, are the most important thing and the reason as a school we exist. Many of you count on bus transportation to successfully transport your child to and from campus each day. The drivers do a great job and are some of the most patient and caring people among us. As a campus we are serious and committed to making the ride to and from school a great one for each child. Our campus is not in charge of transportation. However, we do work collaboratively with transportation, students, drivers, and parents/guardians to make the trip the best it can be. Being on the bus is a different environment for students and one most handle wonderfully. However, for some, this is more of a challenge. We will communicate with each student, in person, what is expected on the buses the first week of school. The safety and civility of all in this higher risk area is a top priority. Because we want all to enjoy an uneventful and happy ride home, please take a moment to stress the following with your child:

*Any unsafe behavior can be reported at any time to an administrator. Please encourage your child to not wait to report a concern or assume another student will report it.

*Concerns about actions on a bus can always be submitted anonymously to 1-888-KIDCHAT.

*Students can board or depart buses only at their designated bus stop.

*Drivers may assign seats on the school bus. In this case students are required to sit in these designated areas.

*Departing through the back bus door is only permissible during an emergency.

*For additional student safety, most buses have one or more video cameras operating.

*The bus stop is considered school property. Any inappropriate action occurring at a school bus stop is the same as if it occurs on campus.

*Consequences will be assigned for failure to follow bus guidelines and meet safety expectations. These consequences include normal campus discipline, temporary removal from the bus, and permanent loss of transportation privileges.

Test Retake Policy - An Opportunity To Improve Learning and Grades

Note students have the opportunity in many cases to retake exams in order to improve their understanding of specific topics and improve their overall grades.

Tests can be retaken in social studies, science, math, and electives. The maximum grade that can be made on a retest is a 75. Retaking an exam can have *dramatic, positive impact* on the grade achieved by a student at any level. Exams count for 60 percent of the overall marking period grade. Please note:

- teachers may choose to require tutorials or review prior to the retake
- due to the nature of some assignments and lab practicals, teachers can limit which tests can be offered for retakes
- tests cannot be retaken if the student was cheating on the first administration
- teachers may offer a new test or assignment on the retest
- there are no retakes on semester or final exams
- it is up to the teacher as to when retakes will be offered
- retakes normally occur before the school day at 8:00 a.m.
- students may retake one exam per semester for a PreAP class or one each nine weeks for a regular class

Electronics and Phones - Expectations, Pros, Cons, Rules, and Considerations for Parents/Guardians to Know

Students are allowed to bring electronics to school as long as they are off between 8:50 a.m. and 3:55 p.m. Use of phones during each child's 30 minute lunch is permitted. Your assistance in helping your child understand that vibrate is not off is appreciated. For student safety and privacy, electronics are never allowed to be out or on while in the locker room or bathroom. School and felony legal consequences will potentially occur for phone/camera use in areas of which there is a legal expectation of privacy. These items, including phones, are immensely popular among young people. However, due to the fact that these are high theft items on all campuses, it is highly recommended parents/guardians consider whether their child is mature enough to keep up with these very expensive devices. The amount of smartphones left by users on tables, benches, and in the hallways is *staggering*. These items are brought at the student's own risk. Note in advance that if a student's use of electronics, including phones, violates policy, the device will be taken up and consequences for the inappropriate use will be assigned. The phone may need to be picked up by a parent or guardian depending on the infraction and overall number of violations and may not be returned to the student on the same day. Please do not ask your child to have his/her phone on so that you can text or call them, potentially disrupting instruction of children. If you need to get information to your child, please call 832-592-5100 as we deliver messages directly to students throughout the school day. Experience also shows that your child having a phone is incredibly valuable when trying to locate them after the end of the school day.

Free Parent and Student Access Center

Parents and guardians have free access to Parent Access Center via www.conroeisd.net. This portal gives complete access to student grades, attendance, tardies, discipline, STAAR scores, and other information. This tool can also give parents and guardians the opportunity to set thresholds where you will be emailed scores of each assignment. Students also have the same access via **Student Access Center**.

Parent/Guardian One on One Course Request Help for 2018-2019 Help Session

Our campus will offer one on one course request help for parents and guardians on March 8th. The event will occur in the small gymnasium on the west end from 9:30 a.m. until 3:00 p.m. No appointment is necessary and parents/guardians who are seeking extra assistance should enter through the main brown patio doors.

Free Homework Help Available for Students

McCullough offers many different varieties of tutoring and homework assistance for students. Taking advantage of these programs provides invaluable and free help for students. Please note, programs include:

- Free teacher tutoring at 8:05 a.m. daily (note one or two days per week teachers have morning duty)
- SPARKS peer tutoring during Advisory with Ms. Donna Meyer—dmeyer@conroeisd.net
- PAWS homework help Monday through Thursday from 4:00 p.m. until 4:45 p.m. in the downstairs library

Crossing Guards

We have crosswalk guards that can help students cross at the southwest crosswalk connecting the main parking lot and Creekwood Park. Also, we now have crossing guards at the Panther Creek and Glen Loch intersection if your child is walking and needs to cross at this location.

Bus Accidents and Breakdowns

What to Know in Advance of a Delay

Our buses do a great job each day of driving our students safely to and from home and school. With the miles driven comes the inevitability of minor bus wrecks or breakdowns. It is a rarity, but it does happen. Most students have phones now to keep you updated. Please note in advance we will attempt to send you email updates if we can based on the situations and if we have updated information. The preferred method of getting the child home after an incident is by the bus or a replacement bus. Please be aware if you do appear on the scene we cannot release students to parents or guardians until we get the go ahead from the police who are working the accident. Thanks for your understanding and cooperation.

GT Testing

Nominations are now open for Conroe Independent School District Gifted and Talented program. Although the testing will not take place until late January, nominations are accepted at this time. Nominations can be made by the parents and/or teachers. If you are interested in nominating your child, you may want to discuss this with your child's teacher at conferences. Nominations will be accepted through December 20. You may request a nomination form from the front office or the Assistant Principal. You can also find the nomination form and other GT information on the CISD GT homepage.

Off Campus Physical Education Guidelines and Information for Parents/Guardians/Students Choosing the Course in 2018-2019

Information for students, parents, and guardians interested in Off-Campus Physical Education for 2018-2019 is below. Please note the important bulleted details for parents/guardians/students *before* considering Off Campus Physical Education.

- The *Texas Education Agency* allows Off Campus Physical Education for *participation in individual Olympic sports only. Team sports are not eligible for this program.*
- Students are only allowed to participate at CISD approved facilities. A facility cannot become an “approved” facility unless the organization representative has attended the Off Campus PE Informational meeting on January 10th (*The Jett Center, 601 Lewis Street, Conroe*). *That meeting will begin at 10:00 a.m. Please note all organizations must renew each year. The vendor deadline to turn in their application is March 8th at 4:00 p.m.*
- Off Campus Physical Education is a year-long commitment. *One-semester versions* of this program are not available. Students participating in Off Campus Physical Education are committed to **both** the fall **and** spring semesters **consecutively**. A student’s *class schedule* is developed accordingly as students who are in off campus physical education do NOT have classes fourth block (red or green) for either semester.
- The *Texas Education Agency* does not allow students in this year-long program to participate in school *UIL* athletic programs (which have their own athletic class *during* the school day). Participants may and are encouraged to try-out for school club programs, such as track, golf, tennis, and soccer that meet before or after the school day. Off-campus physical education students who choose to participate in club sports after school would need to depart campus with their special dismissal time and then return to participate in the special activity after school.
- For students enrolled in the year-long Off Campus Physical Education program, a facility will only be changed at mid-term. Choose your facility and instructor *wisely* from the outset. ***Make certain you are comfortable remaining with the instructor and facility throughout the entire school year.***
- Any student choosing *Category 1*- Off Campus Physical Education must be picked up daily on both red and green days by a parent or guardian at 2:55 p.m. at the northwest corner, main student entrance. **Make sure you have year-long afternoon pick up arrangements (parent or guardian) in place prior to choosing Off Campus Physical Education.**
- Students are not allowed to leave campus and walk home unsupervised.
- Grades and attendance for a student in Off Campus Physical Education are submitted every three weeks by the approved facility. The grades are reflected on the student’s report card and do count toward *UIL* eligibility.

Vendors who do not submit their Grade Reports on the designated due dates will be dropped from the program. As a result, the student will be reassigned to a campus physical education class.

- The *Texas Education Agency* allows Category I (15+ hours per week) participants to leave campus one hour early prior to the end of the school day. From 2:26 p.m. until 2:55 p.m., students will be supervised by a McCullough instructor in a silent study hall. Students who cannot successfully function in study hall without disturbing others may be dropped from off –campus physical education.
- Selecting Off Campus Physical Education (Category 1) requires a commitment to leave early on both red and green days.
- Students in **Category 2**-Off Campus Physical Education do not leave school early and do not have a physical education class on campus. However, students do receive two extra academic classes. As a result, a student choosing and qualifying for Category 2-Off Campus Physical Education must be enrolled in band, choir, or orchestra.
- Students who fail to meet state guidelines for completion of hours or are not picked up at the proper time daily will be dropped from Off Campus Physical Education and placed in a regular campus physical education class. Please ensure the entire family understands the 2:55 p.m. pick up time, and can successfully obtain their child at 2:55 p.m. for all 178 days, before making the commitment to this year-long program.
- Vendors/facilities will have the opportunity to apply to Conroe I.S.D. between January 10th and March 8th, 2018. If you are interested in this program, make **sure** your *facility* attends the January 10th “Vendor Meeting” at 10:00 a.m. in the Jett Center cafeteria (*601 West Lewis Street, Conroe, 77304*).
- Off Campus Physical Education student registration begins March 19th and closes on April 6th at midnight.
Selections to choose Off Campus P.E. close at McCullough on April 6th. Those who sign up for Off Campus Physical Education and have met the April 6th McCullough deadline have until May 1st to complete the online district enrollment process.
- For student safety at all times, parents/guardians are required to come to the crosswalk to obtain their child from the Off-Campus Physical Education class teachers.

· Registration for Off Campus Physical Education is done electronically via the CISD web site. Instructions for enrolling will be announced at a later time. Choosing Off Campus PE on your Course Selection form DOES NOT officially enroll your student in the Off Campus PE program. You must enroll your student via the CISD web site.

All Off Campus Physical Education Information, including dates, are subject to change. This is a tentative set of information designed to assist.
