- Each student is highly encouraged to bring a sack lunch on testing days. A sack lunch will be available in the cafeteria for purchase on these testing days for those who did not bring a lunch from home. Students can also bring water in a clear reusable bottle. We will not disturb STAAR testing classrooms to deliver personal lunches from parents/guardians.

- We will visit all classes at the conclusion of testing so that each student can receive information, have questions answered, turn in any assignments and be updated on required material.
- Private P.E. pick up will occur at approximately 3:20 P.M on these special testing days.
- As a reminder, per TEA regulations, if a student leaves the classroom to use the restroom during the four-hour timed test, that time away cannot be made up.
- A student present on campus on test day must take the appropriate test for that day. If a student is absent, the student will test on a make-up day.
