

McCullough Junior High School

Athletic Information

2018-2019

This information sheet outlines athletic opportunities at McCullough Junior High for the 2018-2019 school year. ***In order for a student to participate in or try out for a sport, the school must have a physical form completed by a medical doctor and a copy of the student's birth certificate.*** Blank physical forms are available at our McCullough Junior High website Athletics Page, as well as our front office. Please make sure that physicals are dated **April 15, 2018 or later**, so that the athlete will be in good standing for the entire 2018-2019 school year. These completed and signed forms must be on file with the athletic coordinator before the young person can try out or participate in athletics. It is important that the student is committed to playing a sport before signing up. Being an athlete at McCullough Junior High is a great experience, but also takes tremendous commitment. Please examine the responsibilities closely before making the year-long commitment. For more information on our athletics program, or to download a blank physical form for doctor use, please access the Athletics Page of our website which you can link to via www.conroeisd.net.
