

GUIDELINES FOR TAKING ALGEBRA I

EARNING CREDIT FOR MATH 8

Want to accelerate from 6th Grade Advanced Math to 7th Grade Algebra 1 PAP?

OR

Want to accelerate from 7th Grade Level Math to 8th Grade Algebra 1 PAP?

You must have credit for Math 8 first!

Students have the following options to earn credit for Math 8:

Credit by Examination

Conroe ISD will administer the Math 8 CBE on home campuses the week of February 19th—23rd. Students must register in advance in order to take the test by completing the application form and submitting by January 29, 2018. No late registrations will be accepted. There is no charge for the first administration of the test. Students earning an 80 or higher on the CBE will earn credit for Math 8 and will be placed in Algebra 1 the following school year. Students who do not earn the required cut off score but still want to pursue taking Algebra 1 the following year are eligible for one retest attempt (for a fee) or may opt to take the accelerated 8th grade course during summer school.

OR

Summer School

Conroe ISD offers courses for initial credit during the summer. Students that successfully complete 8th Grade PreAlgebra course with an 80 or higher will earn credit for Math 8 and will be placed in Algebra 1 the following school year. There is a fee associated with this course. This course runs from late April to mid-July and is taught through a hybrid format. Students will complete lessons both at home via the internet and during their face-to-face classes with an instructor. Information will be posted on the Conroe ISD website. Please note that there are strict attendance guidelines associated with this course. Registration for the course will be done through the student's counselor on their campus.

OTHER RECOMMENDATIONS

Want to accelerate from 6th Grade Level Math to 7th Grade Pre-Algebra PAP?

This course has **open enrollment**, however, students in 6th grade level math are not exposed to any 7th grade material and would be skipping an entire year of content. It is recommended (but not required) that students take the Conroe ISD 7th grade math in the summer as an accelerated math initial credit course to be prepared. There is a fee associated with this course. The course runs from late April to mid-July and is taught through a hybrid format. Students will complete lessons both at home via the internet and during their face-to-face classes with an instructor. Information will be posted on the Conroe ISD website. Registration for the course will be done through the student's counselor on their campus.

Please note that there are strict attendance guidelines associated with this course.
