Tentative Student Orientation Dates and Key Information

McCullough Junior High has a special student orientation each fall to help young people and their parents/guardians be prepared and feel good about the upcoming year. Student orientation allows children to pick up locker combinations, practice operating their locker, obtain valuable handouts, see their tentative schedules, walk their classes, and visit with their friends. Additionally, parents/guardians can sign up for P.T.O., purchase school clothing/gear, obtain required Vocabulary Workshop books, if interested. Attendance is not mandatory but is a huge plus. Textbooks will be issued the first week of school. The child, or the child's official parent/guardian, must be present to pick up materials. Should a student not be in town on his/her assigned date and pick up time, he/she can obtain a copy of his/her tentative schedule and pre-assigned locker at our front desk from 8/6 until 8/14 during our summer office hours. These students who miss orientation will be issued pre-assigned lockers the first week of school. Students' schedules will only be available during their time slot so that the line will move quickly for all. For purchase of materials note some areas will be able to accept credit cards and others cash/check. Having both payment options available will make for a smoother experience.

Riding Home on an Alternate Bus in an Emergency

Students may be allowed to ride home on an alternate bus in the event of an emergency. However, there are a number of action items students/parents/guardians need to know in advance to ensure a student can and does secure the appropriate transportation home at the end of the day. These include:

- some buses are operating daily at maximum capacity and *cannot* take extra riders
- to ride home on an alternate bus with a friend, a note from a parent or guardian is required including the full name of your child, alternate bus your child needs to ride, parent/guardian phone number, and parent/guardian signature
- a contact number where you can be reached to potentially verify your desire for a change in your child's transportation.
- a request form with the parent signature and contact information must be submitted to the grade level office by noon for verification.

Bicycle Safety

If your child is riding a bike, our bicycle rack is on the west side by the football field. This area is under video surveillance and is close to the west doors in case of rain. Please remind your child to please make certain he/she does not ride through the parking lot. The setup is such that the rider can ride through the grass and bypass normal parking lot traffic. ***If you operate a vehicle in our parking lot, please be cognizant of all bicycle, car, and foot traffic.*** The first week of school we met with all students to discuss bike safety and expectations.

Early Checkout Specifics to Help

If you are checking your child out early during the school day, it will be far quicker if the student brings a note to the front desk before school with your clear directions on what time he/she should be waiting for you in the front office. Keep in mind, this is even more important if the child is in athletics or physical education as it can take much longer to locate them and have them in the front office if they are picked up without an advance note. A form is available on our website for use to help make the process faster. This document is located in our parent services area titled "early release request form." Additional forms are available as needed at the front desk. *Please note a parent or guardian must come into the building to check a student out.* For student safety, please note in advance a photo I.D. is required to check out your child.

Make a Difference Anti-Bullying, Understanding Differences, and Resilience Activities

Several months throughout the year our school will conduct anti-bullying activities through extended third block classes. During these activities we will lead students through lessons on bullying and resiliency, random acts of kindness, internet/social media and bullying awareness, acknowledging differences, and other methods of preventing and reporting potential bullying. If your child perceives he/she is bullied in any setting they are encouraged to call 1-888-KIDCHAT. Current programmed activities include:

- 9/28– Bullying awareness, prevention, and resiliency
- Week of 11/6 – Understanding differences
- Week of 2/12– Random acts of kindness week
- 3/6– Internet dangers, social media, privacy, and courtesy

Last Day Early Release

Our campus will have early release on Thursday, May 31st. Release will be at 1:30 p.m. Please expect the possibility of higher traffic on this date. The front horseshoe will be closed for final dismissal between noon and 2:00 p.m.

Backpacks the Last Two Days of School - May 30th and May 31st

Keep in mind for student safety, backpacks are prohibited on the last two days of school, May 31st and June 1st. Students may enter with a small purse, phone, pen, review packet, and calculator if needed. Any backpack may be taken up at the entry doors. This information will be articulated over the P.A. often in advance so that all students are aware of the annual safety procedures.

Crossing Guards

We have crosswalk guards that can help students cross at the southwest crosswalk connecting the main parking lot and Creekwood Park. Also, we now have crossing guards at the Panther Creek and Glen Loch intersection if your child is walking and needs to cross at this location.

Parent/Guardian Help Session for Incoming Students of 2018-2019

On March 8th from 9:30 a.m. until 3:00 p.m. counselors and department heads will be available to help or assist in any way needed parents and guardians who have incoming children for the 2018-2019 school year. This will occur in the small gymnasium and is very informal. No appointment is necessary. Please do not enter through the front office, but instead park in the west (football field) parking lot and enter through the main brown patio doors.

KIDCHAT Anonymous Tipline 1-888-KIDCHAT

Our campus and district have an anonymous tipline that can be accessed 24 hours a day by contacting 1-888-KIDCHAT. Information can be communicated at this site regarding activity that is illegal or inappropriate occurring both in the community or on a school campus. Students play a key role in helping keep the school and community safe. Reports are followed up upon by school administrators and/or police. In some cases, informants may qualify for a monetary reward for information leading to felony arrests.

Ongoing Bullying Prevention

The first week of school administrators meet with students through language arts classes to discuss school procedures, expectations, and where to go for help with any need. A wide range of topics are covered including the student handbook. One aspect of this is bullying prevention. If your child is bullied or perceives he/she is bullied at school, please have your student contact his/her administrator in the grade level offices. Email addresses for our assistant principal staff are available on our website. We want to help. Letting the appropriate assistant principal know, so that he/she can investigate, is key.

Parking Lot Speed Limit

The posted speed limit in our lots is 5 mph. For the safety of all, please abide by the posting.

Vaping Awareness for Parents/Guardians

Nationally there has been a significant increase in “vaping” among teenagers. This terminology may also be known as e-cigarettes. E-cigarettes are hand-held devices that heat liquid fused with nicotine or other liquids. Students across the country can, and are, vaping many different substances. Many of the devices used by teenagers to “vape” are not easily recognizable and appear as a normal writing pen or elongated USB thumb drive. In order to deceive parents/guardians, these devices which appear to be a regular USB thumb drive even light up when plugged into a USB receptacle. This also charges the battery used to heat the liquids. Among the most popular are a device known as a “JUUL” which harbors the liquid substance at the end. Teenagers find these devices attractive to use because the vapor emitted is hard to detect and generally they do not feel as if they are as harmful as traditional cigarettes. Be aware these devices on campus have the same school-based consequences as regular cigarettes.

Parking Lot Safety and Reminders

The safety of our students, staff, and you is our top priority. As we discussed in our incoming parent/guardian meetings, we are lucky to have two independent pick up and drop off locations. That is great for everyone. Our west (football field side) lot is the main place for parents/guardians to pick up your child. As a major point of emphasis, keep in mind the following reminders:

- Phone use while driving in a school parking lot and any street is prohibited by law.
- The posted speed limit in our lots is 5 mph.
- Please ensure any family member, sibling, grandparent, or driver of any association understands the parking lot safety plan and respects it for the safety of all.
- For the safety of your child, please do not have him/her dropped off in the main parking lot in the morning and then asked by you to cross traffic. All morning drop off is along the curb exiting the right side of the vehicle only.
- In the afternoon parking lot pick up on the west side is only in the coned off area located by the painted crosswalk. If you are picking up your child in the west lot, please come all the way to pick them up at the designated area.

In the end, the safety of all students begins with everyone exercising patience and good judgment.

Test Retake Policy - An Opportunity To Improve Learning and Grades

Students have the opportunity in many cases to retake exams in order to improve their understanding of specific topics and improve their overall grades.

Tests can be retaken in social studies, science, math, and electives. The maximum grade that can be made on a retest is a 75. Retaking an exam can have *dramatic, positive impact* on the grade achieved by a student at any level. Exams count for 60 percent of the overall marking period grade. Please note:

- teachers may choose to require tutorials or review prior to the retake
- due to the nature of some assignments and lab practicals, teachers can limit which tests can be offered for retakes
- tests cannot be retaken if the student was cheating on the first administration
- teachers may offer a new test or assignment on the retest
- there are no retakes on semester or final exams
- it is up to the teacher as to when retakes will be offered
- retakes normally occur before the school day at 8:00 a.m.
- students may retake one exam per semester for a PreAP class or one each nine weeks for a regular class

Electronics and Phones - Expectations, Pros, Cons, Rules, and Considerations for Parents/Guardians to Know

Students are allowed to bring electronics to school as long as they are off between 8:50 a.m. and 3:55 p.m. Use of phones during each child’s 30 minute lunch is permitted. Your assistance in helping your child understand that vibrate is not equivalent to off is appreciated. For student safety and privacy, electronics are never allowed to be out or on while in the locker room or bathroom. School and felony legal consequences will potentially occur for phone/camera use in areas of which there is a legal expectation of privacy. These items, including phones, are immensely popular among young people. However, due to the fact that these are high theft items on all campuses, it is highly recommended parents/guardians consider whether their child is mature enough to keep up with these very expensive devices. The amount of smartphones left by users on tables, benches, and in the hallways is *staggering*. These items are brought at the student’s own risk. Note in advance that if a student’s use of electronics, including phones, violates policy, the device will be taken up and consequences for the inappropriate use will be assigned. The phone may need to be picked up by a parent or guardian depending on the infraction and overall number of violations and may not be returned to the student on the same day. Please do not ask your child to have his/her phone on so that you can text or call them, potentially disrupting instruction of children. If you need to get information to your child, please call 832-592-5100 as we deliver messages directly to students.

Semester and Final Exams for Next Year - 2018-2019

Tentative dates for final exams for 2018-2019 are as follows:

- 12/13/18-12/19/18 Fall Semester Exams
- 5/24/19-5/30/19 Spring Final Exams

Please make attendance on these dates a top priority if your child is healthy. Final exams count for ten percent of the grade for junior high courses and fifteen percent for high school. Missed exams can be made up in January for any mid-term test missed and the week of June 3rd through the June 6th.

Automated External Defibrillators

Our campus now has four automated external defibrillators for use if ever needed. These reside by the clinic, in the fieldhouse, by the gym, and on the upstairs mezzanine.

Free Parent and Student Access Center

Parents and guardians have free access to Parent Access Center via www.conroeisd.net. This portal gives complete access to student grades, attendance, tardies, discipline, STAAR scores, and other information. This tool can also give parents/guardians the opportunity to set thresholds where you will be emailed scores of each assignment. Students also have the same access via **Student Access Center**.

Free Homework Help Available for Students

McCullough offers many different varieties of tutoring and homework assistance for students. Taking advantage of these programs provides invaluable and free help for students. Please note, programs include:

Off Campus Physical Education Guidelines and Information for Parents/Guardians/Students Choosing the Course in 2018-2019

Information for students, parents, and guardians interested in Off-Campus Physical Education for 2018-2019 is below. Please note the important bulleted details *before* considering Off Campus Physical Education.

- The *Texas Education Agency* allows Off Campus Physical Education for *participation in individual Olympic sports only. Team sports are not eligible for this program.*
- Students are only allowed to participate at CISD approved facilities. *Please note all organizations must renew each year. The vendor deadline to turn in their application is March 8th at 4:00 p.m.*
- Off Campus Physical Education is a year-long commitment. *One-semester versions* of this program are not available. Students participating in Off Campus Physical Education are committed to **both** the fall **and** spring semesters **consecutively**. A student's *class schedule* is developed accordingly as students who are in off campus physical education do NOT have classes fourth block (red or green) for either semester.
- The *Texas Education Agency* does not allow students in this year-long program to participate in school *UIL* athletic programs (which have their own athletic class *during* the school day). Participants may and are encouraged to try-out for school club programs, such as track, golf, tennis, and soccer that meet before or after the school day. Off-campus physical education students who choose to participate in club sports after school would need to depart campus with their special dismissal time and then return to participate in the special activity after school.
- For students enrolled in the year-long Off Campus Physical Education program, a can only be changed at mid-term. Choose your facility and instructor *wisely* from the outset. ***Make certain you are comfortable remaining with the instructor and facility throughout the entire school year.***
- Any student choosing *Category 1*- Off Campus Physical Education must be picked up daily on both red and green days by a parent or guardian at 2:55 p.m. at the northwest corner, main student entrance. **Make sure you have year-long afternoon pick up arrangements (parent or guardian) in place prior to choosing Off Campus Physical Education.**
- Students are not allowed to leave campus mid-day and walk home unsupervised.
- Grades and attendance for a student in Off Campus Physical Education are submitted every three weeks by the approved facility. The grades are reflected on the student's report card and do count toward UIL eligibility.
- Vendors who do not submit their Grade Reports on the designated due dates will be dropped from the program. As a result, the student will be reassigned to a campus physical education class.
- The *Texas Education Agency* allows Category I (15+ hours per week) participants to leave campus one hour early prior to the end of the school day. From 2:26 p.m. until 2:55 p.m., students will be supervised by a McCullough instructor in a silent study hall. Students who cannot successfully function in study hall without disturbing others may be dropped from off –campus physical education.
- Selecting Off Campus Physical Education (Category 1) requires a commitment to leave early on both red and green days.
- Students in ***Category 2***-Off Campus Physical Education do not leave school early and do not have a physical education class on campus. However, students do receive two extra academic classes. As a result, a student choosing and qualifying for Category 2-Off Campus Physical Education must be enrolled in band, choir, or orchestra.
- Students who fail to meet state guidelines for completion of hours or are not picked up at the proper time daily will be dropped from Off Campus Physical Education and placed in a regular campus physical education class. Please ensure the entire family understands the 2:55 p.m. pick up time, and can successfully obtain their child at 2:55 p.m. for all 178 days, before making the commitment to this year-long program.
- Off Campus Physical Education student registration begins March 19th and closes on April 6th at midnight.
Selections to choose Off Campus P.E. close at McCullough on April 6th. Those who sign up for Off Campus Physical Education and have met the April 6th McCullough deadline have until May 1st to complete the online district enrollment process.
- For student safety at all times, parents/guardians are required to come to the crosswalk to obtain their child from the Off-Campus Physical Education class teachers.
- Registration for Off Campus Physical Education is done electronically via the CISD web site. Instructions for enrolling will be announced at a later time. Choosing Off Campus PE on your Course Selection form DOES NOT officially enroll your student in the Off Campus PE program. You must enroll your student via the CISD web site.

All Off Campus Physical Education Information, including dates, are subject to change. This is a tentative set of information designed to assist.
