**Physicals and Online Paperwork:**

Any student with a valid physical from 2019-2020 school year will **not be required** to complete a new Pre-Participation Exam from a physician **UNLESS** there is a “**yes**” answer to any of questions 1-6 on the Medical History Form. **ONLY** students **new** to athletics, marching band, or other activity requiring a Pre-Participation exam; **and/or** any student with a “**Yes**” answer on questions 1-6 on the Medical History form will be **required** to complete the physician portion of the physical.

**ALL** students **MUST** complete the online forms in SportsWare (just like last year) and, the Medical History is included within that program this year. If a student needs a Pre-Participation Examination from a physician, they may print the form from our website and take it with them to the physician. **PLEASE DO NOT** use last year’s forms. **The forms this year contain changes from the UIL and CISD.**

**SportsWare:**

If the student had an account last year (cleared to play), they **DO NOT** re-register. The parent should log in with the email and password that they created last year; if they cannot remember, simply choose the “Forgot password” link. Attached are the instructions for new students and well as returning students for SportsWare, and also a digital copy of the Pre-Participation Exam form. The district has posted the forms online and the links are below. The link to SportsWare is below. If returning, please login using the Login box at the top right of the page. If new to athletics, please “Join SportsWare” which is the third box on the right.
