A study guide for the 8th grade math exam can be found at <https://utexas.app.box.com/v/uths-eighth-math>. The study guide provides sample questions and information regarding the assessment.

The Credit by Examination without prior instruction for 8th grade math provides an alternative procedure for class placement. Students who participate must earn an **80% or higher** on the exam to be placed in Algebra I the following school year.

Parent Permission

My child, _____, has permission to take the Credit by Examination test and if the appropriate score is met, will be given credit for the grade level course and will be placed in the next succeeding grade level/course, as applicable for the 2019-2020 school year. I also attest my child has had no prior instruction for this test.
