9897H General Office Aide

Eighth grade students can assist the various offices and teachers in daily paperwork involving alphabetizing, filing, running errands, and basic office duties. Examples include: front desk, counseling office, and department chair assistant. Sometimes students are assigned to assist with campus technology tasks such as hooking up computers and basic trouble shooting.

An office aide position is considered to be a privilege, and a student may be removed if he or she is not fulfilling the requirements of the job. Students selected to become office aides should be performing well academically, have an acceptable discipline record, and good attendance. Acceptable guidelines:

Grades: First semester nine weeks averages should be 75 or above in all classes.

Discipline: No more than 4 tardies and no more than two detentions.
