

# Welcome to McCullough Junior High!

As your new teachers at McCullough Junior High, we would like to get to know you better. Instead of doing a different “get-to-know-you” activity in every class, we thought it would be nice to let you choose how to introduce yourself to us. There are several options below for you to choose from. You are only required to complete one of the activities from the choice board below. If you are up to the challenge, however, you are welcome to complete two or more and submit different ones to your classes. Once you have selected your activity, brainstorm ideas and be creative. The goal is for you to share a little about yourself so that we know who you are as a person.

## You might want to tell us about....

- ★ Your family
- ★ Your pets
- ★ Other activities you do outside of school (sports, dance, theater, music lessons etc...)
- ★ Your favorite school subject
- ★ Your favorite kind of music
- ★ Your favorite kind of food
- ★ Your favorite movie, TV show, or video game
- ★ Your most comfortable place
- ★ How you learn best

## Please do one of the following:

- Create a short video about yourself. Please address the topics above, and feel free to add some additional ideas of your own!
- Create a picture collage with the details listed above as a word document or PDF
- Create google slides- add one picture and one fact about yourself on each slide.
- Write a short autobiography to introduce yourself.
- Write a poem or song that describes you.

Be sure to consider your audience and keep it classy... all details, sounds, images, and language should be school appropriate. Submission instructions will be provided by each of your teachers.
