If your number is listed above, you have made the Lady Highlander Soccer Team!

Regardless of making the team this year or not, all participants should be proud of their efforts and continue to fuel their passion for the sport as often as they can. The above decisions are final, and coaches will not openly share any performance notes over the process. Students are always welcome to come and speak to their coaches after the break should they want to seek any advice moving forward. These discussions will only happen in person at McCullough and not over email.

We will share information from the high school regarding their summer camps once we have everything. Everyone at McCullough is encouraged to attend as many sessions as they can in order to keep up with the expectations of the Lady Highlander program.

Below you will find information regarding our season

IMPORTANT INFORMATION:

Please print and fill out the travel permit form from the website and bring it with you to our first practice on **Monday, March 18th**. Even if you have already turned one in for another sport this school year, you will still need to fill this one out and hand it in before our first game. Make sure all forms are also filled out in Rank One (if you have moved in during the school year and cannot access Rank One, let me know). If you are interested in purchasing a McCullough Soccer sign for your yard, please visit the SchoolCash Online webstore from now through March 19th.

There is a charge for attending the soccer matches, just like with most sports. Conroe ISD schools are \$1 for students and \$2 for adults and children. Games outside of Conroe ISD may charge more. Please carry bills \$5 and under as they will not often be able to make change for larger currency.

7th and 8th grade soccer players will arrive at each game together by riding the bus, but a guardian may check them out after the game has ended.

Remind 101 Information on the next page!
